**REAL ESTATE ACQUISITION AGREEMENT
(Kansas State University)**

THIS AGREEMENT ("**Agreement**") dated this ____ day of _____, 2000, by and between the **KANSAS STATEWIDE PROJECTS DEVELOPMENT CORPORATION**, a public body politic and corporate and an independent instrumentality of the State of Kansas existing pursuant to Section 74-8901 et seq., of the Kansas Statutes Annotated, as amended ("**KSPDC**"), **KANSAS STATE UNIVERSITY** ("**KSU**"), and **THE OZ ENTERTAINMENT COMPANY**, a Delaware corporation ("**OEC**") (KSPDC, KSU and OEC are sometimes hereinafter collectively referred to as the "**Parties**").

WHEREAS, the Sunflower Army Ammunition Plant, owned by the United States of America (the "**Government**"), is located on 9,065 acres, more or less, near DeSoto, Kansas, in Johnson County; and

WHEREAS, pursuant to the terms of Section 484(e)(3)(H) of Title 40, United States Code, KSPDC proposes to enter into an agreement with the Government to acquire all right, title and interest in and to portions of the Sunflower Army Ammunition Plant, including the Transfer Property as defined below (such portions are hereinafter referred to as the "**SFAAP**"); and

WHEREAS, KSPDC proposes to enter into an agreement with OEC pursuant to which KSPDC will convey title to such portion of the SFAAP, subject to its prior receipt of such title from the Government, to OEC for economic development purposes; and

WHEREAS, pursuant to a lease agreement, dated as of May 9, 1997, by and between KSU, as lessee, and the Secretary of the Army (the "**Army**"), as lessor, KSU has leased from the Army approximately 334.54 acres of the SFAAP as more particularly described on Exhibit A (the "**Leased Property**"); and

WHEREAS, in connection with the disposition of the SFAAP, and upon application (the "**Transfer Application**") by KSU to the U.S. Department of Education ("**DOE**"), a copy of which is attached hereto as Exhibit B, the DOE has approved a transfer to KSU of a 100% public benefit conveyance consisting of the real property and improvements located within the boundaries of the SFAAP as more particularly described on Exhibit C attached hereto and made a part hereof (hereinafter, the "**Application Property**"); and

WHEREAS, KSU has agreed to release and relinquish all of its existing rights in and to the Application Property, including all rights obtained pursuant to the Transfer Application and the approval thereof, in exchange for the conveyance of the real property and improvements described on Exhibit D attached hereto (the "**Transfer Property**") from OEC to KSU pursuant to the terms of this Agreement; and

WHEREAS, the deed delivered by OEC conveying the Transfer Property to the Kansas Board of Regents (the “**Regents**”) for the benefit of KSU will be eligible to contain the covenant set forth in Section 9620(h)(3)(A)(ii) of Title 42, United States Code; and

WHEREAS, but for the conveyance by OEC of the Transfer Property to the Regents for the benefit of KSU, KSU would not release and relinquish its existing rights to acquire the Application Property; and

WHEREAS, as a condition to consummating the transaction contemplated herein, the Parties acknowledge that the deed from OEC conveying the Transfer Property to the Regents for the benefit of KSU shall contain certain restrictions, including, but not limited to, KSU’s agreement that the Transfer Property shall remain subject to and a part of the “redevelopment district” as established pursuant to KSA § 79-8921 (“**Deed Restrictions**”) (the details of which appear in the Deed as hereinafter defined);

NOW, THEREFORE, in consideration of the mutual promises exchanged by and between the Parties herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. **Incorporation of Recitals.** The recitals set forth above are hereby incorporated into and made a part of this Agreement.

2. **Limited Obligations.**

(a) **KSPDC.** The parties agree that under no circumstances shall KSPDC assume responsibility or otherwise be responsible for any environmental remediation which may be required to be performed with respect to the SFAAP or any portion thereof.

(b) **KSU.** The parties agree that under no circumstances shall KSU and/or the Regents assume responsibility or otherwise be responsible for any environmental remediation which may be required to be performed with respect to environmental contamination existing on the SFAAP or any portion thereof as of the Final Closing Date (as defined below).

3. **Acquisition of Transfer Property - In General.** On the date that KSPDC obtains from the Government a conveyance of the SFAAP or the initial portion thereof, (i) KSPDC shall transfer to OEC the SFAAP or such portion thereof (the “**First Closing**”); (ii) KSU shall deliver a written notice in the form of Exhibit E attached hereto (the “**DOE Notice**”) addressed to DOE withdrawing the Transfer Application; and (iii) KSU shall deliver a written release to OEC in the form of Exhibit F attached hereto (the “**KSU Release**”) releasing all of its right in and to the SFAAP, other than the Transfer Property (the DOE Notice and the KSU Release are sometimes herein collectively referred to as the “**KSU Release Documents**”).

4. **First Closing Date/Expiration Date.** KSPDC shall give not less than 10 business days prior written notice (the “**Notice of First Closing**”) to KSU and OEC of the date that KSPDC is prepared to conduct the First Closing (the “**First Closing Date**”); provided, however, that the First Closing Date must occur within one hundred eighty (180) days after

Congressional Approval (as such term is defined in that certain Memorandum of Agreement (the “**Conveyance Agreement**”) between the United States of America, acting by and through the General Services Administration and KSPDC for the Conveyance of Land and Transfer Property Comprising the Former Sunflower Army Ammunition Plant, Johnson County, Kansas, dated _____, 2000) (the “**Termination Option Date**”). If the First Closing Date has not occurred by the Termination Option Date, this Agreement, at the option of KSPDC or KSU, shall expire and this Agreement shall be null and void and KSU shall not be deemed to have waived any rights KSU might otherwise have under the Transfer Application. KSPDC, KSU and OEC acknowledge that it is KSPDC’s intent that the First Closing Date occur on the same day on which KSPDC obtains a conveyance of the SFAAP or any portion thereof from the Government and, accordingly, if necessary the date set forth in the Notice of First Closing may be reasonably adjusted so that the First Closing hereunder coincides with any changes made to the closing date for the transfer of the SFAAP to KSPDC. KSPDC shall provide prior written notice of any such adjustment to KSU and OEC.

5. **Final Closing Date.** The Final Closing (hereinafter defined) shall occur within seven (7) days following the date on which the covenant set forth in Section 9620(h)(3)(A)(ii) of Title 42, United States Code will apply to the Transfer Property (the “**Final Closing Date**”).

6. **Deliveries from OEC.** On the Final Closing Date (i) OEC shall deliver a quitclaim deed (the “**Deed**”), together with evidence of payment by OEC of all transfer taxes and recording fees, if any, conforming in form and substance to Exhibit G, which shall be recorded, and (ii) OEC shall be obligated to deliver to KSU, at the cost of OEC, a title insurance policy from Assured Quality Title Company, showing title to the Transfer Property in the name of the Regents for the benefit of KSU, and insuring good and merchantable title in the name of the Regents for the benefit of KSU, free and clear of all liens, encumbrances, covenants, conditions and restrictions, except for the Deed Restrictions and such other matters which do not prohibit, impair or otherwise encumber KSU’s use and occupancy of the Transfer Property as provided herein (the “**Final Closing**”).

7. **Failure of Conditions.** In the event that the First Closing Date shall fail to occur by the Termination Option Date, and KSU or KSPDC elect to terminate this Agreement, then, it is understood and agreed that, KSU shall not be deemed to have released any of its rights in and to the Application Property under the Transfer Application or otherwise.

8. **No Obligation to Acquire.**

(a) **KSPDC.** This Agreement shall not impose on KSPDC any obligation to acquire SFAAP or any portion thereof. Rather, this Agreement shall only obligate KSPDC to convey such property to OEC in the event KSPDC obtains a conveyance of such property from the Government. KSPDC shall retain absolute discretion as to whether, when or upon what terms it may acquire SFAAP or any portion thereof from the Government. OEC and KSU agree that they will not in any event seek to compel KSPDC to acquire title to SFAAP or any portion thereof from the Government or seek any remedies against KSPDC for any failure of KSPDC to acquire the Transfer Property.

(b) **OEC.** This Agreement shall not impose on OEC any independent obligation to acquire SFAAP or any portion thereof. Rather, this Agreement shall only obligate OEC to convey the Transfer Property to the Regents for the benefit of KSU in the event OEC obtains a conveyance of such property from KSPDC. Prior to the execution of a written agreement with KSPDC to obtain the SFAAP, OEC shall retain absolute discretion as to whether, when or upon what terms it may acquire SFAAP or any portion thereof from KSPDC. KSPDC and KSU agree that absent KSPDC's acquisition of the SFAAP from the Government, they will not in any event seek to compel OEC to acquire title to SFAAP or any portion thereof from KSPDC or seek any remedies against OEC for any failure of OEC to acquire the Transfer Property.

9. **Covenants, Warranties and Representations of the KSPDC.** KSPDC hereby represents, warrants and covenants, and KSU and OEC do rely on the following representations, warranties and covenants, all of which shall survive the Closing:

(a) KSPDC has authority under Kansas law to execute and perform this Agreement, and that this Agreement and its performance does not contravene or violate any other agreement, instrument, law, ordinance, court order, or governing instrument, or cause a default thereunder, which would materially impair the obligation of KSPDC hereunder.

(b) The individuals signing this Agreement and all other documents executed or to be executed pursuant hereto on behalf of KSPDC shall be authorized to sign the same on KSPDC's behalf and to bind KSPDC thereto.

(c) The Deed Restrictions imposed on the Transfer Property shall not prohibit the sale or transfer of the Transfer Property by KSU, subject to KSU's obligation to use the Transfer Property consistent with the Deed Restrictions.

(d) In the event that the First Closing Date shall fail to occur on or prior to the Termination Option Date, and KSU or KSPDC elect to terminate this Agreement, KSU's rights to receive the Application Property are not intended to be prejudiced thereby; therefore, KSPDC will not take any action which jeopardizes KSU's rights to the Application Property and will take all reasonable actions requested by KSU to affirm KSU's receipt and use of the Application Property, as contemplated in KSU's Transfer Application to the Government.

10. **Covenants, Warranties and Representations of KSU.** KSU hereby covenants, warrants and represents to KSPDC and OEC as follows, and KSPDC and OEC do rely on the following covenants, warranties and representations:

(a) KSU warrants that it has the authority to execute this Agreement and perform the terms hereof; that this Agreement and its performance does not contravene or violate any other agreement, instrument, law, ordinance, court order or governing instrument, or cause a default thereunder which would impair the obligations of KSU hereunder.

(b) The individuals signing this Agreement and all other documents executed or to be executed pursuant hereto on behalf of KSU shall be authorized to sign the same on KSU's behalf and to bind KSU thereto.

(c) Until the earlier of the expiration of this Agreement or the First Closing Date, KSU agrees that it will not seek to acquire other real property in the SFAAP.

(d) KSU shall execute such documents as may be necessary and withdraw any applications or back-up applications (other than the Transfer Application in accordance with this Agreement) that may be pending for property at SFAAP and will give notice to KSPDC and OEC of any matters affecting KSU's rights or interests in the Application Property, the Transfer Application and KSU's ability to withdraw the Transfer Application, of which KSU has knowledge.

(e) KSU has obtained, from KSPDC or other parties, the reports and information identified on Schedule 10(e) hereto with regard to the environmental condition of the Transfer Property.

11. Covenants, Warranties and Representations of OEC. OEC hereby covenants, warrants and represents to KSPDC and KSU as follows, and KSPDC and KSU do rely on the following covenants, warranties and representations:

(a) OEC is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. OEC is duly qualified to do business and is in good standing as a foreign corporation in the State of Kansas.

(b) OEC has the corporate power, authority and legal right to execute, deliver and perform this Agreement and to consummate the transactions contemplated hereby. The execution, delivery and performance of this Agreement by OEC have been duly authorized by all necessary corporate and shareholder action. The execution and delivery of this Agreement and the consummation of the transactions herein contemplated will not contravene or violate the articles of incorporation or bylaws of OEC. This Agreement has been, and the other agreements, documents and instruments required to be delivered by OEC in accordance with the provisions hereof will be, duly executed and delivered on behalf of OEC by duly authorized officers of OEC, and this Agreement and any other documents to be delivered by OEC pursuant hereto will constitute, the legal, valid and binding obligations of OEC, enforceable against OEC in accordance with their respective terms.

(c) The execution, delivery and performance of this Agreement by OEC does not and will not violate, conflict with or result in the breach of any term, condition or provision of, or require the consent of any other person under, (i) any existing law, ordinance, or governmental rule or regulation to which OEC is subject, (ii) any judgment, order, writ, injunction, decree or award of any court, arbitrator or governmental or regulatory official, body or authority which is applicable to OEC, or (iii) the articles of incorporation or bylaws or any securities issued by OEC. No authorization, approval or consent of, and no registration or filing with, any governmental or regulatory official,

body or authority is required in connection with the execution, delivery or performance of this Agreement by OEC.

(d) OEC has complied with each, and is not in violation of any, law, ordinance, or governmental or regulatory rule or regulation, whether federal, state, local or foreign, to which OEC's business, operations, assets or properties is subject ("**Regulations**"). OEC owns, holds, possesses or lawfully uses in the operation of its business all franchises, licenses, permits, easements, rights, applications, filings, registrations and other authorizations ("**Authorizations**") which are in any manner necessary for it to conduct its business as now or previously conducted or for the ownership and use of the assets owned or used by OEC in the conduct of the business of OEC, free and clear of all restrictions and in compliance with all Regulations. OEC is not in default, nor has it received any notice of any claim of default, with respect to any Authorization. None of such Authorizations will be adversely affected by the consummation of the transactions contemplated hereby.

(e) Except as otherwise disclosed on Schedule 11(e) hereto, no litigation, including any arbitration, investigation or other proceeding of or before any court, arbitrator or governmental or regulatory official, body or authority is pending or, to the best knowledge of OEC, threatened against OEC or which relates to the assets of OEC or the transactions contemplated by this Agreement, nor does OEC know of any reasonably likely basis for any such litigation, arbitration, investigation or proceeding, the result of which could adversely affect OEC, its assets or the transactions contemplated hereby. OEC is not a party to or subject to the provisions of any judgment, order, writ, injunction, decree or award of any court, arbitrator or governmental or regulatory official, body or authority which may adversely affect OEC, its assets or the transactions contemplated hereby.

(f) The Kansas Department of Health and Environment ("**KDHE**") will, as a condition of the approval by the Governor of the State of Kansas of the early transfer of SFAAP pursuant to 42 U.S.C. 9620(h)(3)(C), impose a compliance order on consent (the "**Consent Order**") upon OEC, a copy of which is attached hereto on Schedule 11(f) and incorporated herein by reference. OEC will obtain title to the Transfer Property from KSPDC and will be required to comply with all terms and conditions of the Consent Order. It is anticipated that the Consent Order will require all necessary remediation of contamination of SFAAP, including upon the Transfer Property. OEC agrees to remediate the Transfer Property to a standard required by KDHE.

(g) OEC will perform all acts required of it in this Agreement in good faith and with all deliberate speed, performing such other acts which may be reasonably necessary to carry out the spirit and intention of this Agreement.

(h) In the event that the First Closing Date shall fail to occur on or prior to the Termination Option Date, and KSU or KSPDC elect to terminate this Agreement, KSU's rights to receive the Application Property are not intended to be prejudiced thereby; therefore, OEC will not take any action which jeopardizes KSU's rights to the Application Property and will take all reasonable actions requested by KSU to affirm

KSU's receipt and use of the Application Property, as contemplated in KSU's Transfer Application to the Government.

(i) OEC will, prior to taking title to the Transfer Property, provide to the state of Kansas or its subsidiaries, prepaid third-party financial guarantees sufficient in form and amount to ensure full and complete remediation of all the land to which the Consent Order is applicable, as required by the Consent Order. As a partial fulfillment of these financial guarantees, OEC will obtain pollution legal liability insurance in the minimum amount of \$50,000,000 that covers the Transfer Property and other property at the SFAAP, which insurance names the State of Kansas or its subsidiaries as additional insureds.

12. Indemnification by OEC.

(a) *Indemnification.*

(i) Indemnification of KSPDC. OEC, for itself and its successors and assigns (hereinafter defined), does hereby agree to indemnify and hold harmless KSPDC and the officials, board members, officers, agents, attorneys, independent contractors and employees thereof (each, a "**KSPDC Indemnified Party**"), from any and all loss, costs, claims, damages, or liability (including but not limited to all reasonable attorneys' fees and litigation costs) incurred or sustained by a KSPDC Indemnified Party as a result of, or in any way related to or in defense of, any claims asserted against the KSPDC Indemnified Party based upon (A) KSPDC's execution of and performance under the terms of this Agreement, or (B) any breach or violations by OEC of any of the terms and provisions of this Agreement, including but not limited to, any breach by OEC of any of its covenants, warranties and representations in this Agreement, unless such losses, costs, claims, damages or liability are incurred or sustained as a result of the gross negligence or willful misconduct of the KSPDC Indemnified Party.

(ii) Indemnification of KSU. OEC, for itself and its successors and assigns (hereinafter defined), does hereby agree to indemnify and hold harmless the Regents, KSU and the officials, board members, officers, agents, attorneys, independent contractors and employees thereof (each, a "**KSU Indemnified Party**"), from any and all loss, costs, claims, damages, or liability (including but not limited to reasonable attorneys' fees and litigation costs) incurred or sustained by a KSU Indemnified Party as a result of, or in any way related to or in defense of, any claims asserted against the KSU Indemnified Party based upon (A) environmental liability arising as a result of environmental conditions in existence on the Transfer Property at the time of its transfer to the Regents for the benefit of KSU, but only if/and to the extent OEC or its successors and assigns have obtained one or more insurance policies which provide coverage for such environmental liability (i.e., OEC shall have no personal liability whatsoever pursuant to this Section 12(a)(ii) and furthermore, OEC shall have no obligation to indemnify KSU beyond its receipt of insurance proceeds for such environmental liability); or (B) any breach or violations by OEC of any of the

terms and provisions of this Agreement, including but not limited to, any breach by OEC of any covenant, warranty or representation in this Agreement, unless such losses, costs, claims, damages or liability are incurred or sustained as a result of the gross negligence or willful misconduct of the KSU Indemnified Party.

(b) ***Notice by Indemnified Party.*** In the event that any claims asserted against a KSPDC Indemnified Party or KSU Indemnified Party (an “**Indemnified Party**”) which are alleged by such party to be covered by the undertaking of OEC hereunder shall arise:

(i) The Indemnified Party shall promptly notify OEC of the assertion of any claim. Further, the Indemnified Party and its counsel shall cooperate with OEC and its counsel in the defense of any such matter.

(ii) Provided OEC has satisfied the provisions herein and provided, further, that OEC is not otherwise in default of any provision of this Agreement or the Property Identification Agreement or any other related agreement which default is material or is otherwise directly related to the claim, the Indemnified Party shall not enter into any settlement of such claims without first (i) notifying OEC of such proposed settlement and (ii) obtaining OEC’s approval of the same. In the event that the Indemnified Party shall settle any such claim without the approval of OEC, any financial consideration paid or liability undertaken or assumed in any such settlement shall not be the responsibility of OEC hereunder so long as: (A) OEC had promptly advised the Indemnified Party in writing that OEC was prepared to pay for the defense of such claims pursuant to Section 12(a) above; (B) OEC has sufficient financial resources, or has deposited sufficient reserves or security with the Indemnified Party to fulfill its obligations to indemnify and hold harmless the Indemnified Party hereunder; and (C) OEC was proceeding or evidenced its intent to proceed in good faith to contest such claim in accordance with its responsibilities hereunder.

(c) ***Term of Indemnification Obligation.*** KSPDC, KSU and OEC agree that the indemnification by OEC of the Indemnified Parties pursuant to this Agreement shall cover any claims asserted within a period of twenty (20) years from the date of the Final Closing hereunder, but such indemnification shall be extinguished and made null and void thereafter.

(d) ***Waiver of Claims Against Indemnified Parties.*** OEC on its behalf, and on behalf of its successors and assigns, does hereby waive any and all claims against the Indemnified Parties related to any losses, costs, claims, damages or liabilities (including but not limited to reasonable attorneys’ fees and litigation costs) incurred or sustained by OEC by reason of any action or event (i) described in 12(a) above; (ii) arising out of the execution and performance of this Agreement, or (iii) arising out of the conveyance of the Transfer Property by OEC to KSU, unless such losses, costs, claims, charges or liabilities are incurred or sustained as a result of the gross negligence or willful misconduct of the Indemnified Party.

(f) ***“OEC and its Successors and Assigns.”*** For purposes of this Section 12, the phrase “OEC and its successors and assigns” shall mean OEC and any entity owned or controlled, directly or indirectly, by or affiliated with OEC.

13. **As Is.** KSU agrees and acknowledges that the Transfer Property is being sold “AS IS, WHERE IS” with all faults and without representation or warranty with respect to physical or environmental condition, merchantability or fitness for a particular purpose and without any other warranty or representation whatsoever by OEC, except as specifically provided herein.

14. **Insurance.** OEC shall maintain policies of insurance in the form attached hereto as Schedule 14 for a period of twenty (20) years. OEC shall require that KSU and the Regents be named as an additional insured in such policies.

15. **Notices.** Any notice or other communication to be given under this Agreement shall be in writing and may be given by hand delivery, or by United States certified or registered mail, by telegram or telex or by facsimile or overnight courier. Any notice shall be effective, if sent by telex, when sent and the appropriate answerback is received, and in all other cases when received. Notices shall be addressed as follows:
